Clinic based Speech Therapy Services

Full job description

TriCounties Speech Services, Inc. is focused on creating positive change with all the children we work with. As a therapist owned clinic, we believe in creating an environment where both our clients and our therapists feel heard, respected and valued. If you are looking for a meaningful environment that values quality of care over quantity then come join our dynamic, creative group

of clinicians at our pediatric clinic in beautiful Hollister. Our team of highly skilled Early Interventionist Specialists and Speech and Language Pathologist are passionate about changing the lives of each and every family we work with. We offer home based, clinic, and school based individual services to a varied pediatric population ranging from birth to High School.

Why join our team?

- Provide engaging, creative individual therapy sessions focused on building relationships to maximize outcomes for our clients and their families
- Work in a collaborative environment with a team of amazing therapists
- Our focus on quality results in productivity expectations that fall under the current standard for clinic based services
- Work with a diverse caseload from early intervention, elementary, middle school, and high school.

Roles & Responsibilities:

- Conduct initial evaluations of clients to determine an appropriate treatment plan based on their needs
- Write and maintain daily notes, progress reports and assessment reports that meet the requirements (we have multiple templates available)
- Work collaboratively with other professionals on the child's team
- Make modifications to treatment plans based on new information collected through evaluations.
- Evaluate program effectiveness and make adjustments as needed.
- Be an excellent communicator; we value open, transparent communication with our clients and their families
- Have strong organizational and time management skills
- Develop sessions that are fun, creative and focused on building relationships

Job Type: Part-time

Pay: will be provided at interview

Expected hours: 25-35 hours per week

Benefits:

- Liability Insurance
- Travel time
- Mileage reimbursement
- Admin time (6 -10 hours per month)
- Paid trainings
- Sick time
- Flexible schedule

- Opportunities for advancement

Education:

- Master's (Required)

Experience:

- Pediatric: 2 years (Preferred)

Work Location: In person
